Huon Protective Services is the sole Tasmanian distributor of Frontier Projectiles and can supply the above varieties of these projectiles (subject to availability). While we often keep a small quantity of these in stock, most do need to be ordered specifically to cater to individual requirements.

Please contact Kaine Price on 0437 072 766 if you wish to discuss these products in more detail or you can submit an order anytime by email to manager@huonprotectiveservices.com.au

Please note that orders are not processed until a combined minimum quantity is achieved and payment is not required up front upon ordering, we will contact you to arrange payment once stock has been confirmed and dispatched to us.

Thank you for your interest in our range of Frontier products!
